Upto1000percent.com AITradesafe Andy Ireland?

I received a letter in the post about this subject today, and I am wondering if anybody has any details about it?

Thanks

Hello Susan,

I got the exact same letter as you, and have also been looking for details about this.

It looks like Forex of some kind, not sure.

I have found some varying sites, and will put the best one I found in the source box.

Hope this helps,

Brian T
